

“I LOVE MY NEW NOSE!”
SUZANNE, ACTUAL PATIENT

“I never really liked my nose, it had a “knot” on the top. I wanted a new nose, but I didn’t really want everyone to notice the change, just me. When I started interviewing doctors, Dr. Brett Lehocky at Beautologie was my immediate choice. He made me feel like I was his only patient and completely comfortable. When I learned he had done hundreds of facial surgeries and had been the Director of Facial Surgery at a major university – I knew I was in good hands. I felt so great about Dr. Lehocky that I had him do chin lipo as well, it has taken years off my appearance. I’m so glad I went to Beautologie!”
